your
Family and Friends

We are starting a new

Members

REFERRAL

Program

Years of experience have shown us that our best advertising is to have our Members happy. We know that a personal reference from our Members is the way to continue growing and to provide better facilities, services and developments for you in the future.

Our Referral Program is easy and exciting for you. It is a program through which our Members recommend us to their family or friends, providing contact information in order to invite them to experience a wonderful vacation with us, applying discounts on better rates and other current promotions.

If your friends, decide to be part of our group of Members, you will receive a compensation of up to **1,000 USD** (One thousand US dollars), an amount that can be applied to the payment of your next maintenance.

You can send as many Referrals as you want. Please contact **Maria Estrada** at maria.estrada@theinnresorts.com / vacationclub@theinnresorts.com or call **011-52-669-9135500** extension **5014**, to register your friends or family and be able to participate in our Referrals program.

**Certain restrictions apply.*
